home loans

Purchasing a home is an exciting and important time in everyone's life. That's why we'd like to make the process as pleasurable as possible. We know that when selecting a home loan everyone's needs are different. This is the reason we offer customers a wide choice of home loans with competitive loan interest rates and easy to follow online loan applications.

investment loans

Our fixed investment loan provides the certainty of fixed interest of up to 3 years and repayments for the term of your fixed period. You can also choose to split a fixed investment loan and a variable rate investment loan for even greater flexibility.

equity loans

For an 'all-in-one' account for your home loan, access (or savings) account and overdraft then our Equity Loan is right for you. By depositing your entire income into this account and combining this with careful budgeting, every dollar you earn will help you pay off your loan sooner. You'll also have worldwide access to your money 24 hours a day.

car loans

Our goGreen car loan not only has a competitive loan interest rate but also a strong socially responsible element to it. Interest rates are determined according to how 'green' your vehicle is or its safety rating. We also offset your greenhouse gas emissions for the life of the loan.

personal loans & overdrafts

Get a personal loan from as little as \$1000 with low variable interest rates and easy access to your accounts.

credit cards

A range of flexible credit cards to suit your needs, including the Low Rate Visa Credit Card and the Visa Credit Card which offers up to 55 days interest free with no annual fee.

transaction fee rewards

Be rewarded and receive transaction rebates with your loan. For more information visit our website <http://www.bankmecu.com.au/fee>
